

Florence Township welcomes Covington Group. Covington is the new owner of the former Superfresh Warehouse Facility at 500 Cedar Lane. Within a few weeks, Covington is going to be demolishing three older antiquated buildings at the site. This work will make way for a new state-of-the-art facility. The township will continue to work with the company in order to assist them in locating businesses that will provide employment opportunities and investments in our community. There is no site plan for the new facility submitted at this time. However we anticipate the company will be submitting their plans in the near future. Stay tuned for more on this and other improvements.
