

FLORENCE TOWNSHIP RESIDENTS:
THE WATER DEPARTMENT WILL BE PERFORMING FIRE HYDRANT
FLUSHING AS FOLLOWS:

FLORENCE: APRIL 24TH TO MAY 5TH
(Woodlawn Ave to Olive Street bordered by Front St & Delaware Ave)

ROEBLING: MAY 8TH TO MAY 19TH

ROUTE 130 TO OLD YORK ROAD: MAY 22ND TO MAY 26TH

These dates are approximate and are subject to slight modification. Anyone interested in specific flushing dates and times may call (609) 499-2518 for up-to-date information for their specific area.

Please note, during times when flushing is taking place water may become cloudy. It is not recommended to wash laundry during flushing or immediately following the flushing procedure in your area. During the flushing season, you may also wish to refer to manufacturers' literature for your hot water heater. It is always recommended that you flush your water heater to remove any sediment that may accumulate in the tank. Timing the normal maintenance and flushing of your hot water heater with the periodic flushing schedule for the fire hydrants is a good way to remember.

David A. Lebak, Director
Water & Sewer Department
