2020 Florence Township Community Calendar
To the Residents of Florence Township,

I’m pleased to present our 2020 Florence Township Community Calendar, which includes photographs from our community’s past and present. We’re always looking for interesting photos for our calendars and invite you to contact us and share your pictures for future calendars. Please continue to use the calendar to remind you of upcoming community events.

Thank you to those who help make the calendar a success year after year including:

  Florence Township Volunteer Fire Company #1  
  Roebling Boy Scout Troop 3  
  Our many sponsors listed on the back inside pages of the calendar.

As we welcome 2020, please stay tuned to our news and information channels as they continue to grow and become a more efficient method of communication. I encourage you to sign up for Florence Township’s Website updates and follow the Township of Florence and the Florence Township Police Department pages on Facebook. You can also consider signing up for emergency notices through Nixel, Swift911 or simply check out our television channel on Comcast Channel 19.

For the tech savvy, you can scan these QR codes to access our website and certain Facebook pages.

Thank you for taking the time to read this letter and the other information contained in the calendar. If you would like to be a sponsor in the 2021 calendar or wish to share photos or include information in the next calendar, please e-mail information@florence-nj.gov or cwilkie@ftfd40.org.

It is my honor to serve you as Mayor. I wish you and your family good health, happiness, and much success in 2020.

Craig H. Wilkie
CRAIG H. WILKIE, MAYOR

RICHARD A. BROOK, FLORENCE TOWNSHIP ADMINISTRATOR

“Since July 1989, Richard Brook has been our Township Administrator. He has dedicated his time to Florence Township to make it a better place to work, live and raise a family.

Through the years Richard’s commitment to the Community has been second to none. Richard will be retiring in 2020.

We wish him well in his next phase of life.“

DEDICATION IN MEMORY OF PAUL & LORETTA VARGA

Eagle Scout Andrew Ferdetta created a picnic grove in early 2019 for the benefit of the community.

The project was intended to be dedicated in some way to the community and several decided that it would be fitting to honor Paul & Loretta.

On May 16th, friends, family and fellow residents gathered at the John A. Roebling Park to pay tribute to Paul and Loretta Varga. Roebling Park was a place that the Varga’s made a second home as they were, in many respects, the caretakers of the beautiful park that sits along the river in Roebling.

Mayor Craig Wilkie, Councilman Ted Lovenduski and others shared stories from years past about the Varga’s love for community and the local organizations in which they helped to create.

The dedication fell on a perfect spring evening and during the ceremony families could be seen walking the park, riding bicycles, enjoying the playground and setting blankets in anticipation of the season’s first music in the parks evening. The scene made for an appropriate backdrop in honoring two individuals who enjoyed the same view on many evenings over many years in Roebling Park.

DEDICATION IN MEMORy OF PAuL & LORETTA VARGA

Eagle Scout Andrew Ferdetta created a picnic grove in early 2019 for the benefit of the community.

The project was intended to be dedicated in some way to the community and several decided that it would be fitting to honor Paul & Loretta.

FLORENCE TOWNSHIP HISTORICAL SOCIETY

The Florence Historical Society has a vast collection of items that help to tell the story of this community. Many times throughout the year members have assisted in identifying individuals in photos and have helped families learn about descendants who once lived in our community. The Florence Historical Society meets monthly at the Third Street Firehouse. New members are always welcome.

FLORENCE TOWNSHIP YOUTH EMERGENCY SERVICES ACADEMY

Florence has always enjoyed a strong relationship between all emergency services as we jointly participate in all community events together. This joint effort has far reaching benefits when we work together on small and large emergency incidents in our community. Our goal from the beginning was to spark an interest in emergency services with the youth of our community and to impart on them the importance of not only the function of the emergency services, but the team concepts that are needed for successes. We know that we will be seeing some of our recruits in the future when they join our ranks.

The “recruits” learned about personal protective equipment, rode in the tower ladder, participated in a mannequin drag and equipment carry, crawled through a mocked up confined space, learned about EMS, got a detailed tour of the Rescue Engine and stretched a hose line to a house fire prop.

The “recruits” and instructors then enjoyed a delicious meal provided by the Florence Fire Department Auxiliary.

## Notice

See May notices for more information.
GLASSTOWN ANTIQUE FIRE BRIGADE MUSTER

The Glasstown Antique Fire Brigade is the South Jersey chapter of the Society for the Preservation and Appreciation of Antique Motor Fire Apparatus in America. This national organization of more than 3,000 members and more than 50 chapters was organized in 1958 in Syracuse, N.Y.

BEST IN SHOW

Winner of many awards, this 1954 Mack LS 85 pumper is able to pump over 750 G.P.M. It started its life at the Laurelton Fire Department near Rochester, N.Y. It had an off-frame restoration in 2009-2011 by its current owner, Al Jacoby and family.

In 2019 our community was introduced to ROEBLING - COMPANY TOWN, written by lifelong resident and longtime Roebling Elementary & Florence Township Memorial High School teacher, Lou Borbi.

Realizing that no one was documenting the stories of the men and women that worked for the John A. Roebling and Sons Company, he made a commitment to record their legacy before it would vanish forever.

The book, if you haven’t read it yet, paints a picture of the birth of a community. It describes the vision and passion of families that were instrumental in the impact that the steel industry had throughout the country.

Referred to as a “Modern Day Renaissance Man” Lou Borbi has spent his life preparing this story in an effort to preserve the rich and remarkable history of Roebling.

In 2019, Lou Borbi and his wife, Carol were selected to serve as Grand Marshals for the annual Florence Township Patriotic Celebration.

First Music in the Parks Event was a Great Success!
Residents descended on Roebling Park to enjoy the first event of the 2019 Music in the Parks series.

Dr Lou and the Privileged Few Band provided 2 hours of classic rock favorites while families and neighbors enjoyed a perfect evening along the river.

Summer Tennis Clinic - Players ranging from 5 years old thru adult took to the courts and enjoyed the start to an exciting season of tennis.

Field Days Summer Camp - A 2 week summer camp for children in 2nd thru 7th grades.
August Tax Bills are sometimes delayed due to County Budget Adoption rules. Watch for a notice of payment extension for the August payment only.

FLORENCE TOWNSHIP MEMORIAL HIGH SCHOOL PROUDLY PRESENTS FLASH!

Our new mascot’s name is Flash! After our former mascot “Freddie Flash” retired in the late 70’s, many felt that it was time to bring back something exciting for our students and community. Our newly designed FLASH returned in 2019 and will appear regularly at not only athletic events but various activities throughout the Florence Township School District!

HAPPY HALLOWEEN FLORENCE TOWNSHIP!

Each year our community takes part in various Halloween related activities. In addition to visiting homes for the traditional Trick or Treating, several Trunk or Treat events are held. Families bring their little ghosts & ghouls to Roebling Elementary, Riverbank Charter School, Florence Township High School and the Florence Fire Department dressed in their favorite costumes. This year our local police officers and municipal staff joined in the fun of the holiday.

October Notices

- Recycling: October 12, and 26, 2020
- Halloween Curfew: Saturday October 24 - Sunday November 1 - **Curfew Hours Start at 9:00 pm**

Florence Township
Annual Municipal Stormwater Information

Dear Residents and Business Owners:

As you may be aware, the State of New Jersey requires all municipalities to distribute certain information each year relating to the protection of our water resources and stormwater management. This letter will give you a basic overview and information about what Florence Township does to promote water protection and stormwater management in our community.

Florence Township has several ordinances that relate to stormwater management and protection of our water resources.

Littering is unlawful on public and private lands and this includes scattering of handbills, circulars and other forms of advertisement. Trash, tires and other items are regarded as waste and should be in enclosed containers with tight fitting lids that prevent spillage.

The feeding of unconfined wildlife such as Canadian Geese, migratory birds or other large numbers of wildlife is prohibited. Dense wildlife numbers in the state have contributed to concerns of feces polluting streams, rivers, ponds and lakes. Even pet waste should be cleaned up immediately from public and private lands and disposed of properly.

Illicit connections to stormwater collection systems are another concern that contributes to a multitude of pollutants of our waterways. Some types of illicit connections include: sewer or gray water discharge, floor drains in contaminated areas, unprotected yard or roof drains, etc.

Chapter 91-75 and its corresponding sections of the Township Code address design standards for construction and public and private storm drain inlet retrofitting.

The state and the township require that new construction or land development applications meet a series of tests to verify that each new project conforms to the latest best management practices for stormwater management and water protection. In addition, storm drain inlets are required to be retrofitted any time a qualifying work takes place on or near the inlet. You may be familiar with inlet retrofitting because you can see the smaller size of the openings on the grate and back portion of the inlet components. This smaller opening acts to prevent trash and debris from entering the stormwater system and finding its way to our rivers, lake and streams.

For more information on the municipal code, stormwater management, and water protection measures, please visit the Florence Township Website at www.florence-nj.gov and click on the link for Stormwater Management under the Documents tab on the left side of the page.

Thank you for taking the time to read this information and for your concern for the environment.
