

Welcome to the
TOWNSHIP OF
FLORENCE, NJ

Press Release For April 7, 2023

All municipal offices will be closed on Friday, April 7, 2023. Offices will reopen for normal business hours on Monday, April 10th.

Twice per week trash collection started on Monday, April 3rd.

1. *Florence Township Water and Sewer:*

Florence Township Water Department routinely monitors for the presence of federal and state regulated drinking water contaminants. New Jersey adopted a standard, or MCL, for PFOA in 2020 and monitoring began in 2021. The MCL for PFOA is 0.014 parts per billion (ppb) and is based on a running annual average (RAA), in which the four most recent quarters of monitoring data are averaged. **On January 12, 2023 we received notice that the sample collected in December, 2022 was 0.0078 ppb and below the regulations. Since October, 2022 the water has remained in compliance; however, because the running average (4 quarters of testing) is over the DEP limits, we are required to send out a notification letter to the residents and businesses.** Florence Township has consulted with our water engineer and the DEP to develop a corrective action plan. We will continue to test the wells to ensure the safety of our residents. For more information, please contact David Lebak at (609)-499-2518.

For frequently asked questions and answers regarding PFOA Levels, please go to the township website main page, under "Departments" click on "Water and Sewer" scroll down and click on "PFOA Questions".

2. *Recycling Center:*

The recycling center hours are: Monday, Tuesday, Thursday & Friday from 11 a.m. to 5 p.m. Saturday from 9 a.m. to 3 p.m. **Recycling center will be closed on Friday, April 7th but will reopen Saturday, April 8th.**

8. Police Department:

If you have an emergency, dial 911. If it is a non-emergency requiring police response, call (609) 267-8300. The police lobby window will be open Monday, Tuesday, Thursday & Friday from 8:00a.m. to 4:30 p.m., Wednesday 8 a.m. to 8 p.m. and Saturday 8 a.m. to 1 p.m. If you require police assistance, please use the yellow call box located by the Municipal Building Main Lobby doors. A police officer will subsequently be dispatched to handle your matter. Please see the Police Department website (<https://florence-nj.gov/public-safety/police/>) to obtain Police Reports, Handicap Placards or call (609) 499-3131.

9. Water Service Lines Letters:

In July 2021, P.L.2021, Ch.183 (Law) was enacted, requiring all community water systems to replace lead service lines in their service area within 10 years. Under the law, Florence Township is required to notify customers, non-paying consumers, and any off-site owner of a property (e.g., landlord) when it is known or unknown, if they are served by a lead service line. A letter was sent out on 9/1/22 to those residents this new law may affect. Note that per C.58:12A-41, section 2, the definition of a lead service line now includes lead connectors (lead gooseneck, lead pigtail, or other lead fitting) and galvanized service lines. Our service line inventory is available at www.florence-nj.gov. A service line is a portion of pipe that connects the water main to the building inlet. In Florence Township, the service line is owned entirely by the property owner. The service line materials are [lead/galvanized/unknown]. Florence Township is developing a lead service line replacement program. If you are planning to replace your lead service line, contact us at (609) 499-2518 prior to replacement so that we can coordinate our efforts.

10. Municipal Offices:

For the safety of our employees and the public, we encourage individuals to wear a mask while inside the municipal building, especially if you are not feeling well. We encourage the public to continue to use the drop box located inside the front entrance to the Municipal Building for all payments, license renewals, construction permits, etc. Normal office hours are 9:00 a.m. to 4:30 p.m.

11. Township Council Meetings:

The next Council meeting is scheduled for Wednesday, April 12, 2023 starting at 7:00 p.m. Residents are encouraged to attend the meeting in-person. Instructions for virtual attendance can be found on the Township's website (www.florence-nj.gov), on our Facebook page (Florence Township), or by calling the

Township Clerk's Office at 609-499-2525, Monday through Friday from 9:00 a.m. to 4:30 p.m. If you are unable to attend the meeting in person or virtual, you can review the zoom recording of the meeting beginning the next day by going to the township website or the link posted on our Facebook page.

There are several ways to view the zoom recording:

1. Click on "Documents" tab, then click on "Recorded Zoom Meetings".
2. Click on "Government" tab, then click on "Recorded Zoom Meetings".
3. Click on "Documents" tab, click on "Agenda & Minutes", click on 2022 Township Council, and at the top of the page "Click Here to View Township Zoom Recordings"

15. COVID COMMUNITY IMPACT:

If you would like additional information on COVID-19, including county-wide totals for daily new cases from the New Jersey Department of Health (NJDOH), please visit <https://covid19.nj.gov/> .

TESTING:

The Burlington County COVID Test Site, located in Willingboro Towne Square will be closing April 28th. Burlington County's Static COVID Vaccination Sites located in Evesham, Bordentown and the Health Dept ceased clinic operations on April 1, 2023. Beginning on April 14, 2023, we will transition to Friday afternoons only, from 2-4 pm, at the Health Department, 15 Pioneer Blvd, Westampton. Primary series and booster shots will be available for those 6 months and older. Walk-ins only and please use the side entrance. If you have any questions, please call 609-265-5548.

- The Health Department is administering both Monovalent (Pfizer only) and Bivalent (Pfizer and Moderna) vaccines. Monovalent Vaccine for the Primary Series protects against severe complications from the original strain of COVID-19. Please note that we are no longer offering monovalent Moderna doses due to manufacturer discontinuation. The Bivalent Booster protects against severe complications resulting from infection from the original strain, as well as the BA.4 and BA.5 Omicron strains of COVID-19. The Omicron strain is the predominant strain that is currently circulating. The best protection is achieved by completing your primary series and getting your booster shot as soon as you are eligible.
- The CDC has approved the administration of bivalent vaccine for children under 5. Burlington County Health Department COVID clinics are now administering the “baby bivalent” vaccines per CDC and FDA guidelines. The bivalent vaccine protects against serious complications from the original and Omicron strains of COVID-19.
- Vaccinations for homebound individuals can be scheduled by calling Mobile Medics, the health department's contracted vendor, at 844-569-0390 If no one answers your phone call, leave a message with your name and best contact phone number, and someone from Mobile Medics will call you to schedule your in-home appointment.
- Individuals wishing to book appointments elsewhere can visit NJ COVID-19 Vaccine Appointment Finder to get an appointment at locations throughout New Jersey at <https://covid19.nj.gov/pages/finder>.

VACCINES OFFERED:

- Primary Series (Monovalent)
 - Pfizer: 6 months – 4 years/5 – 11 years/12 years and older
- Booster Shots (Bivalent)
 - Pfizer: 6 months and older
 - Moderna: 6 months and older

To make it easier for everyone to be able to get COVID-19 test kits, the federal government is letting people order free home tests again at <https://www.covid.gov/tests> . Each household can order 4 free at-home COVID test kits. Order yours today so you can test and protect your family during holiday gatherings!

MASK RECOMMENDATIONS:

KN95 or N95 or double layered well-fitting surgical and cloth are still recommended by the CDC in certain situations (immunocompromised, etc.). Websites for looking up approved KN95 and N95 masks are:
