

Florence Township Recreation Committee Special Meeting
Monday, April 22, 2024 -7pm
Florence Township Courtroom

The meeting was opened by the Chairman of the Recreation Committee, Tony Pastore. Recreation Director, Martin Eckert welcomed all attendees and thanked the recreation committee for their time to attend this special meeting. Martin Eckert shared that in order to confirm that everyone is on the same page with the discussion of the cricket inquiries that he will read the following which provides a timeline of meetings and discussion to date.

Martin Eckert stated that for the purposes of the meeting in an effort to avoid confusion that the team which was approved for the field use over the past year will be referred to as The Florence Cricket Team. The team inquiring about use of the field will be referred to by their team's name, Burlington Cricket Team. A representative from the Burlington team (Ricky Singh) requested that the Florence team be referred to as the "Lions" because he himself is a resident of Florence and is not comfortable with the team being refereed to as "Florence". Martin Eckert complied with the request and restated that the team will be referred to as the "Lions" as representing the team that was approved by the township for use of the field over the past year.

Martin Eckert then read the following to all attendees:

Brief Timeline:

- In all of 2023 the only contact relating to cricket has come from two individuals representing the Florence Cricket Team (Lions). (Shivam Patel & Ravi Patel)
- As the 2023 season concluded the field was left in good condition. Shivam Patel expressed that the team (Lions) will be looking to discontinue participating in the league they were a part of but instead work to develop a Florence Cricket League which will be comprised of players of varying ages and skill level. They will meet to discuss further field improvements upon approval from the township and any such improvements will be funded from the league.
- In early 2024 the "Lions" cricket team requested to resume with a new season and now expanded from 6 teams to 10 teams.

Enter Burlington Cricket Team

- **February 2024** Halprit Singh expressed interest in bringing a team to play cricket on the field and I explained that we have a team in Florence that uses the field and could provide their contact. Halprit knew them and had their contact information.
- **February 2024** Balvir Singh and Halprit Singh visited the township to further discuss use on the RD Wood Field. Marty invited them to walk the municipal complex fields to see if there were any areas that could be serviceable to play. Balvir expressed that they are part of a 10 team Burlington County League and are looking for a home field. He provided that they shared the field with the Florence Cricket team (Lions) in 2023 where they played games on one specific day each weekend. I provided that I was unaware that a second team used the field as a “home field” and that I only had been in contact with one group throughout. Balvir Singh shared that the Burlington team helped to build the “pitch” which was used on RD Wood Field.
- I consulted with the Chairman of the Recreation Committee, Tony Pastore of whom has met with the “Lions” in an effort to paint a picture of how the township would envision the program moving forward. Further establishing a board and creating clinics for children and/or adults from the community to begin offering opportunity within the community. The Florence Cricket team was agreeable to this. I explained to Tony that another team from Burlington has expressed interest however they are a part of another league which also has 10 teams chartered out of Burlington Township.
- **March 4, 2024 Recreation Committee Meeting**: Chairman Pastore discussed the request for use by the Florence Cricket team (Lions). Marty provided information expressed by the Burlington Cricket team to use the field for their league as well. The committee agreed that this is a new program which has not yet developed and that in consideration with the goals of creating a baseline program the original team which has worked with the township would be approved. The committee cited that there is only one field and that we are in the early stages of understanding the sport and what the future vision of the property may be and we are not in a position to field multiple leagues amounting to dozens of teams effectively. The committee voted unanimously to grant permission to the Florence Cricket team (Lions) for use of the field for the 2024 season.

- **March 18 2024** – Balvir Singh scheduled to meet with Mayor Marter, Administrator Sahol, Committee Liaison Pastore and Rec Director Eckert. **(Mr Singh did not appear for the meeting and requested rescheduling)**
- **March 19 2024** – Balvir Singh met with the same group (Marter, Sahol, Pastore, Eckert) to discuss cricket and the use by the Burlington Cricket Team. Echoing the same, that the Burlington team used the field the previous year. Balvir Singh included that the Burlington team paid towards the building of the pitch and helped build the pitch. Balvir Singh identified himself as a member of the Burlington team. Balvir Singh expressed that the team has been a Florence team for many years with players from Florence Township. When asked the name of the team and its address, Mr. Singh provided that the team has been in existence for 10 years and the name is Burlington Cricket Club.
- **March 28 2024** – Committee member Don Nemeth, Director Eckert, Balvir Singh, Halprit Singh, Shivam Patel, Ravi Patel met to attempt to iron out the confusion. Each group spoke about how they interpret the use from 2023 and now for 2024. The Florence (Lions) team described communication with the township and the building of the pitch over the past year. They stated that roughly 2 months later the Burlington team reached out to use the field to play matches. They agreed for the current season as at the time they had a group of six teams playing, which allowed for excess time when the field was not being used. When asked if it was accurate that the Florence team (Lions) paid and built the pitch, Balvir Singh agreed that they (Burlington Cricket Team) did not pay but offered to pay towards the pitch right then. This statement was inconsistent with the previous meeting on March 19th, where the Burlington Team claimed that they paid and built the pitch. The Florence team then offered for the Burlington Cricket team to join the newly established Florence league and play games throughout the season. The meeting concluded and Marty and Don provided that they would update the rec committee on the discussion.
- **April 1 2024 – Recreation Committee meeting.** Burlington Cricket team (Several members) appeared and questioned the committee inquiring for use of the field. Balvir Singh expressed that the Burlington team paid and helped build the pitch. Martin Eckert interjected that in the previous meeting that Mr. Singh stated that they did not build the pitch but offered to pay towards it at that time. Balvir Singh replied acknowledging that they would pay whatever the cost was for the pitch. This was stated in the presence of all attendees and the recreation committee. A member of the

Burlington Cricket team added to the discussion that the Burlington team has for many years attempted to gain access to a field for cricket within the township. The recreation department has no record of such inquiries. The potential of a field in Burlington Township was asked. Balvir Singh stated that a field designated for cricket may be up to 2 years from now. The recreation committee asked how long the Burlington team has played and Balvir Singh replied that they have been a team for 10 years. Recreation Committee member Tom Boracci asked Balvir Singh if he was a member of this team for that period of time. Balvir Singh stated that he is a liaison representing the team. At the conclusion the committee liaison Frank Baldorossi asked Balvir Singh what they were looking for this season. Balvir Singh explained that they were looking for field use to play home games for the Burlington County Cricket League. (Shivam Patel was also in attendance and provided the same information that was relayed at the March 28 meeting again offering for the Burlington Cricket team to join the Florence league).

After both teams exited the meeting, the committee discussed the information provided by both teams. The committee agreed that the Florence team schedule is set and in progress. The best resolution at this time is to request that the Florence team (Lions) conclude all matches before 4pm so that the field may be used every Saturday from 4pm until dusk by the Burlington Cricket team. (Attempting to place a team in between a schedule of matches from a differing league may cause confusion and overage time may take place and adversely affect the schedule for the day) Enabling the Burlington team to pick up from 4pm till dusk provides 3-4 hours of uninterrupted use. Additionally, the Florence team has extended the opportunity for the Burlington team to also join their league where they may be able to play during earlier time slots against other teams on Saturdays or Sundays. If accepted, the Burlington team would not only enjoy being part of the league with the ability to play multiple teams throughout the season, they would also enjoy additional time from 4pm to dusk to play county league games. **(Chairman Pastore provided information to Balvir Singh on April 3 2024)**

Balvir Singh Responded April 3 2024 – Requesting information to appeal the decision of the recreation department.

Tony Pastore responded April 4 2024 - (Direct from email). I would like to clarify that the offer of use of R D Wood field to the Burlington cricket team of the Burlington County Cricket League comes from the Recreation Committee not the Recreation Department. The Committee worked to free up a time slot for this team specifically so that they would have a home field for this season. There are no specific measures other than the restrictions listed in the previous email that were applied to the request for a home field for the team in question. There are currently no provisions for appealing Recreation Committee decisions. If the team is looking for additional local playing time, the offer from Florence Cricket League to join their league is still open.

Council Meeting – April 10 2024

Public Comment. Ricky Patel of the Burlington Cricket team expressed again that Burlington paid for the cricket pitch. This statement has remained inconsistent to acknowledgement by Balvir Singh on multiple occasions confirming that the Burlington Cricket team did not pay for the pitch but WILL pay for the costs from developing the pitch after the fact.

Second comment – referenced recreation department did not provide enough information to the committee by Michael Muchowski. This comment is not consistent considering that there have been several meetings which included township administration, mayor, recreation committee representatives, members of the public and recreation department. All information has been discussed by all members of the recreation committee throughout.

(End of reading of information provided by Martin Eckert)

The special meeting continued by representatives from each team participating by stating their position.

Ricky Singh (Burlington Cricket team) – Provided that the team is disappointed by the decision of the recreation committee. Mr. Singh again claimed that they built the pitch, despite multiple meetings where this was confirmed as inaccurate. Mr. Singh questioned the legitimacy of the Florence team (Lions) and their addresses. Chairman Pastore rebutted the

statement by providing that he visited the field on Sunday, April 21st unannounced and requested information from all players.

Mr. Pastore confirmed that of the 11 players on the Florence team (Lions) that 8 out of the 11 were Florence residents. Mr. Singh was asked if the Burlington team had played games against the Florence team (Lions) the previous season and he relayed that they did not. After several attempts to rephrase the question, Mr. Singh confirmed that they did play games against the (Lions) on the Florence field. Mr. Singh was asked by members of the committee why, as Florence residents, they would not want to join a Florence League playing many of the same teams that were present the previous year. Mr. Singh stated that they do not want to join the league and that they are a part of the Burlington County Premier League.

Mr. Singh suggested that the Florence league instead join the county league and that they would set the schedule and the Florence team (Lions) could play. Chairman Pastore stated that was not the decision of the committee and was not offered.

Recreation Committee member's Donna Sadler and Caitlin Motta addressed the Burlington team stating that recreation programs in the township are all a part of township leagues and play one another. There are not other leagues that assume use of township facilities. Teams are either part of the league within the township or are visiting teams to play games. Mr. Singh then stated that they are not comfortable playing with them because they have been treated poorly and that the Florence Team (Lions) is only interested in being a "Money Machine" and charging teams to play and using the phrase "permit".

Shivam Patel and Ravi Patel, members of the Florence Team (Lions) stated that their understanding of the use by the team was in the effort to form a league where at their own expense improvements may be made pending approval from the township. They had paid to establish a "pitch" which Ravi Patel confirmed that he contacted the recreation department in advance and was approved. There are thoughts of future improvements such as temporary fencing and general maintenance needs including improving the grass on the property and investing in a permanent mat to place on the pitch of a higher quality. In doing so, teams that participate during the season paid fees towards future maintenance of the field as the team did not assume that the township would budget to take on such costs.

Receipts presented by Ricky Singh were inconsistent and nothing was noted specifically for the Florence Cricket Field. Home Depot receipts

averaging totals in the range between \$18 - \$25. Two Amazon pages showing photos of cricket mats, but were not confirmed as purchased.

A quote or invoice that was not fully legible for clay showed delivery location as Mill Creek Park, Willingboro and Venmo screen shots with no explanation. Lastly, a one-page form between both teams supporting use of the pitch by the Burlington team. No monies were specified on this form and the use was set to expire at the end of 2023. No information provided described clarification on expenditures. Furthermore, Chairman Pastore, along with members Mary Pieretti and Donna Sadler stated that any financial arrangements made between the teams were not something that the township would handle. That would be a matter discussed between parties as the township was not paid fees for the use of the field as it is not a "rental".

Members of the Florence team (Lions) shared that the Burlington Cricket team in addition to playing in the Burlington County Cricket League is also a member of another league which goes by the name New Jersey Premier Cricket League (NJPCL). It was stated that the Burlington Cricket team currently has a home field at Mill Creek Park in Willingboro and currently has games scheduled. Because there are other teams that also use that field, they need additional time slots in order to be a part of the larger league (NJPCL) and that is why the Florence field is desired. The group stating that they do not have a home field is being disputed as not factual and can be easily proven by their schedule of games.

The Florence team (Lions) reconfirmed the offer to add the Burlington Cricket team to the league immediately. The Burlington Cricket team declined. Mr. Singh insinuated that the committee has had their decision made up all along and that the meetings are all back door and that he was unaware of them taking place. The committee challenged the statement by referencing that Balvir Singh scheduled and attended meetings along with Halprit Singh speaking on behalf of the Burlington Cricket team and Balvir Singh stating that he served as the liaison for the team.

In conclusion, the recreation committee presented that the approved use remains consistent with the decision rendered at the recreation committee meeting on Monday, March 4, 2024 whereas the Florence Cricket team (Lions) are approved for use of the RD Wood Field for the 2024 season. This decision was upheld by unanimous vote of members. The committee confirmed that the Burlington Cricket team provided no new information to be considered. The committee agreed that offering the opportunity for the

Burlington Cricket team to join the Florence league as well as allotting time from 4pm till dusk each week essentially gives the Burlington team more time on the grounds than any other team in the league, however these offerings have been deemed unacceptable by the Burlington team.

Chairman, Tony Pastore confirmed that bylaws and league structure moving forward are being prepared for future review by the recreation committee. Chairman Pastore will provide correspondence to the Burlington Cricket team representative, Ricky Singh that the approved use remains as voted by the committee. The offer for the Burlington Cricket team to join the Florence league remains open at this time and a time slot weekly on Saturdays from 4pm to Dusk remains available for consideration by the Burlington Cricket team for use.

There was a motion by Chairman Pastore to end the meeting, which was second by Donna Sadler at 8:51pm

Note: This summary of Minutes associated with Recreation Committee Special Meeting of Monday, April 22, 2024 is confirmed accurate by Recreation Committee Chairman, Tony Pastore. Formatted meeting minutes will be forwarded to Florence Township Recreation Committee along with minutes from the Monday, April 1, 2024 Recreation Committee Meeting for review in advance of Recreation Committee Meeting scheduled for Monday, May 6, 2024.

Permit Agreement \$ 1350 fee

PERMIT AGREEMENT DISCLOSURE

This agreement is made between Shivam Patel (Permit holder) and Harinder S Thakhar (Permittee)

WHERE AS ,the Permit holder has been granted permission by relevant authorities to have total management of the cricket field located at Bodine street Florence NJ 08518 (opposite the ST. PAUL BAPTIST CHURCH).

WHERE AS the permit holder has granted permission to the permittee to use the cricket field only Saturdays. Time period starting from May 6th 2023 through December 31st 2023.

PERMITTEE HAS TO OBEY THE FOLLOWING.

1. The field cannot be use if the township requires the field for township purposes.
2. Illegal activities cannot be done on the grounds of the Cricket field (ALCOHOL ,SMOKING ETC).
3. Garbage needs to be put in the designated garbage bins (no garbage should be left on the field).
4. No loud music .
5. Cars need to be parked in designated spots.
6. No fights on the field.
7. Be mindful of your surroundings.
8. The Permittee will be held accountable for any damages done to the equipment & field during play period.
9. All equipment needs to be put back in the designated spot after use of equipment.
10. Permittee will be held accountable to any civilian injury and damages during play period.

Any Violation of the rules will end in strict action starting from banning (Minimum Penalty) for period of time from using field upto termination of permit. (Maximum Penalty: 5 Consitent Violation).

Permit fee is not refundabel under any circumstances.

Permittee will be held accountable for any of the above violations.
