**TOWNSHIP OF FLORENCE
ORDINANCE NO. 2026-18**

An Ordinance of the Township of Florence Amending Section 64-3 of the Code of the Township of Florence Establishing Construction Code Fees within the Township of Florence

WHEREAS, Chapter 64 of the Code of The Township of Florence, entitled Construction Codes, Uniform, sets forth, in Section 64-3 the fees relating to various construction, plumbing, electrical and fire safety sub-code permits in the Township of Florence, and;

WHEREAS, the Township Council has determined that it is necessary that the fees should be amended, and

WHEREAS, the Construction Code Official and the Township Administrator performed an extensive review of the fee structure.

NOW THEREFORE BE IT ORDAINED by the Township Council of the Township of Florence that:

Section 1. Chapter 64 Fees; report of the Code of the Township of Florence is hereby repealed in its entirety and replaced to read as follows:

§ 64-3. Fees; Report of the Construction Code Official.

[A.] General.

(1) The fee for plan review, computed as a percentage of the fee for a construction permit, shall be paid at the time of application for a permit. The amount of this fee shall then be deducted from the amount of the fee due for a construction permit when the permit is issued. Plan review fees are not refundable.

(2) The fee to be charged for a construction permit will be the sum of the basic construction fee plus all applicable special fees, such as, but not limited to, elevator or sign fees. This fee shall be paid before a permit is issued.

(3) The fee to be charged for a certificate of occupancy shall be paid before a certificate is issued. This fee shall be in addition to the construction permit fee.

(4) Where the Department, pursuant to N.J.A.C. 5:23-4.24, is designated as the plan review agency, or when the Department has been requested to provide plan review services by a municipality pursuant to N.J.A.C. 5:23-4.24, or when the Department is designated as the local enforcing agency pursuant to N.J.A.C. 5:23-4.3, the following schedule of fees shall pertain.

(5) Newly constructed residential units that are to be legally restricted to occupancy by households of low- or moderate-income shall be exempted from the fees as set forth in Subsections B and C below and otherwise payable to the Department.

(6) State of New Jersey training fee. This fee shall be calculated in accordance with N.J.A.C. 5:23-4.19, as amended and supplemented from time to time.

[B.] Departmental plan review fee. The fees listed in Subsection C(2) below shall be in addition to a departmental plan review surcharge in the amount of 20% of each listed fee. Where the Department performs plan review only, the plan review fee shall be in the amount of 20% of the new construction permit fee which would be charged by the Department pursuant to these rules.

[C.] Departmental (enforcing agency) fees shall be as follows:
